Tax-Exempt American Jewish Committee Is Not A Charitable Organization

This issue is devoted almost entirely to the reproduction in print of part of the contents of an amazing tape recording, which is a commentary on the 1953 BUDGET REPORT of the directors of the American Jewish Committee.

On page 4 of this issue, we tell you how you can procure an actual photo-copy of this book.—Editor.

"STRAIGHT FROM THE SERPENT'S MOUTH"

There has recently come to light a "confidential" "top-secret," "hush-hush" document of utmost interest and value to Americans. It exposes hitherto unsuspected facts of a certain war. It reveals enough to convince every Doubting Thomas there actually IS an undercover set of so-called "Americans" working ceaselessly to destroy America. But you, Christian Reader, were never supposed to so much as hear of such a document, let alone scan it with your own eyes. For it is a private memorandum, a revelatory dossier designed and printed only for fellow . . . s. It is an outline and blueprint and summary of the activities, past and proposed, of a group of persons thereby unmasked as the worst and deadliest enemies ever tolerated under the American Flag.

This is not the Communist Party. It is not the Mafia. It is not "The Syndicate." Nor is it even one of those many, many crackpot cults this nation tolerates and with which this diabolical group has every affinity, provided that cult is likewise destructive. None of the Lait-Mortimer "Confidentials" have covered so much as a hint at it. Will it eventually be recognized as a criminal organization engaged upon the most illegal of all unlawful purposes, namely, the subversion, overthrow and destruction of the American Government?

Beyond this "top secret" document's detailed self-exposure of its evil designs against America, One of its most important disclosures is the record, page upon page, for 281 pages, of the MONEY it spends for anti-American purposes.

"Money talks!" In this secret document it shouts, boasts, gloats, and it even prints without hesitation or shame the "low down;" that is, the itemized statements and figures of WHO is to be worked upon by this secret body of . . . ; how NUMEROUS are its victims-to-be; WHERE they are to be found; how BEST to subvert them; how much MONEY is allotted for their subversion.

This is all set forth in implacably cold figures, with utmost explicit details as to methods, accomplishments and expectations. For religious bodies, so much spent on them, youth organizations, so much; veterans associations, so much; college professors and public school teachers, so much. No national grouping of whatever kind is overlooked. There are listed MONEY allotments for influencing of farmers, trades

unionists, scientists, newspaper staffs and magazine writers. All influencers and shapers of public opinion, such as motion pictures, television and radio groups, have MONIES devoted for their "control." And so on through the TOTAL list of American institutions and associations of every description and purpose. MONEY, real CASH, MILLIONS of dollars, have been and is now being spent to change American patriots from what they have been to something other than American, namely, . . .

When such "money talks," does it not sound like conspiracy?

In history's long record of propaganda, intrigues, assassinations and revolts, this secret document's self-exposures are something new. Never before has there been revealed to the light of day such a consummate and diabolically SYSTEMATIC . . . by so few against so many. Never has there been acknowledged such inexhaustible sums of MONEY collected for such evil ends. Never until now was uncovered a personnel so maliciously, persistently and wickedly sworn to carry to catastrophic ends the destruction of a culture upon which rests the ethical future of the whole world. And, finally, never before such METHOD, analysis, practical application, cooperation of parts and breadth of action, as revealed in this "top secret" document's exposure of its underground war upon the Christian religion, hence upon the Christian Governments.

And what is this "top secret," "confidential," clandestine and Not-To-Be-Seen-By Gentiles document?

Why nothing less than the "AMERICAN JEWISH COMMITTEE'S ANNUAL BUDGET, 1953."

Yes, but you thought the Jews, the "poor oppressed Jews," were only interested in taking care of their own. . . . So you did, you naive, easy-going, tolerant, asleep-at-the-switch Christian Americans. Quite naturally, therefore, they would have a

"budget." Would that was all there was to it! For so they do, take care of their own—so often with your help. But it doesn't stop there. Far from it. They are going to "take care" of you too. And when they do, you'll "know all about it." But you do not have to WAIT for this to happen; for it is all spread out in this Jewish secret document; their plans, processes, methods, devices, tricks, schemes, and deceits; and not least the MONEY they have spent in this enormous solicitude for Christians; the MONEY they are spending; the MONEY they will spend. . . . Touching—this enigmatic anxiety over the Welfare of Christian Americans, who have thus far pretty much stood on their own feet.

Once again, "Money talks"—and this gang of . . . have got it. . .

If you had this anti-American secret document before you, Christian Reader, you would look in vain for scurrilous language. In it are neither vehemence, vituperation nor curses. It is strictly factual, both as to motive and inference. This is a "business proposition." "Money talks." Money gets results. It bought all this 281 pages of figures and language. It paid for all this huge staff in the spending for results. Yet in all the printings of the world, never was a language so warped, twisted and perverted; never before such consummate mastery of the craft of "double-talk." It is a veritable lexicon of the most grandiloquent phrases, the most recent up-to-date vernacular from the leftish professional classrooms of sociology, political economy and psychology, not overlooking either that voodooistic mumbo-jumbo, "psychology;" that "science" of the shaded window and couched lupanar.

In short, it is all on the order of "uplift." It is set forth always in the saccharine terms of "do-gooding." It reeks with deceitful solicitude for benighted Christians, but breathes never a word of the Golden Rule. Written with forked tongue in cheek, there is not a line in the entire document, secret though it be, which says in plain words exactly what it means.

But we can say what it means. It means a war to the death with all of the Christian World.

THE UNOFFICIAL GOVERNMENT OF THE UNITED STATES

In a great speech on Feb. 14, 1955, Sen. Wm. E. Jenner of Indiana stated that the government of the United States is a "TWO-HEADED MONSTER," that our country has a "DUAL GOVERNMENT." One of these is the visible government—the Congress, the President and the Vice President, and other high officers appointed by the Executive branch, some of them confirmed by the Senate, but the great majority, of them not subject to such confirmation.

The other government, as Sen. Jenner points out, exists partly within the visible government of the U.S. and partly without. This government has its members, or

—o— (Continued on Page 2) —o—

Unofficial Govt. Of U.S.

—o— (Continued from Page 1) —o—

agents, witting or unwitting, in the Congress; in the Supreme Court; in the Executive office of the President and other Executive agencies; in the government departments, and elsewhere.

Even more significant, however, the hidden government—revealed by Senator Jenner—has established controls over press, radio, television, the theater, charities and foundations, many schools and educational associations, and other media of influencing the public, including many churches, particularly those in the National Council of Churches.

Since censorship is a principal arm of the hidden government, a problem of considerable difficulty confronts the average citizen who wishes to know the truth about the extra-official controls and influences to which he is subjected.

Fortunately, however, the method of operation of the invisible government can frequently be shown from its own official documents.

The American Jewish Committee is but one of many Jewish groups which seek so successfully to shape the policies of the official government of the United States. The *New York Times*, for instance, listed the names of 16 Jewish organizations whose officials went to Wash. in a group to tell Sec. of State John Foster Dulles the kind of Middle East policy which they desired.

These 16 organizations are not to be considered all of the branches of the Jewish power block. There are power blocks which are not exclusively Jewish. There are doubtless power groups whose names are not known.

Among the visible branches of organized Jewry, however, the American Jewish Committee seems (with the closely cooperating order of B'nai B'rith) to be quite the most powerful.

Through its own publications, intended for more or less general circulation, much can be learned about the aims and methods of the American Jewish Committee. For instance, a magazine called *Commentary* and an annual *Yearbook* tell much.

Much more is learned, however, from documents prepared, apparently not for general wide distribution but for members and others under their influence.

A 36 page booklet entitled **FACTS ABOUT THE AMERICAN JEWISH COMMITTEE** (A.J.C., 386 4th Ave., N.Y. 16, N.Y., March, 1951) is helpful.

From this brochure it is learned (p. 2) that "funds for the American Jewish Committee's activities are raised jointly with the Anti-Defamation League of B'nai B'rith." A special map of the U.S. (p. 30) shows the network of local offices, including as many as 6 per State. Many of the goals of the AJC organization are clearly stated in **FACTS**. Some of the goals are as follows:

- 1- The shaping of U.S. government policy by the maintenance of a staff in Wash.
- 2- The control of the press, radio, motion pictures, etc., in many specified ways such as "feeding facts to newspapers;" "suggesting special 'angles';" "working with producers and writers," etc., etc.,
- 3- The control of U.S. churches by seeing that "Christian teachings" are "altered;" by helping in the preparation of lesson materials for Sunday schools, etc., etc.
- 4- The control of the thinking (brainwashing) of the American people and "the methods of modifying their thoughts."

By all odds the best available way to learn about the aims of the American Jewish Committee, however, is to study a document entitled **AMERICAN JEWISH COMMITTEE, BUDGET, 1953**. It is obvious that this book does not contain all the facts.

The document entitled "American Jewish Committee, Budget, 1953," does however, contain enough facts and in sufficient detail to give beyond any question or doubt a picture of many of the significant ways in which the American Jewish Committee

works to achieve its purposes, which include the shaping of the policy of the government of the United States.

From its great headquarters in the United Nations city of N.Y., the American Jewish Committee directs its powerful Washington organization. Like a government it has its subordinate stations in all parts of the country. The branch offices afford a set-up for pressure, propaganda, the collection of intelligence, and other openly admitted activities. It is to be especially noted that the American Jewish Committee relies to a very large extent on an intelligence set-up which includes secret investigations.

An examination is here made of the major fields in which the AJC operates:

- 1- Churches of Christian denominations.
- 2- Education.
- 3- Veterans' organizations.
- 4- Tax exempt foundations and other "Charitable organizations."
- 5- Newspapers.
- 6- Magazines.
- 7- Books.
- 8- Motion pictures.
- 9- Radio.
- 10- Television.
- 11- Government.
- 12- Labor.

Here then, in the American Jewish Committee's own words, is an account of their plans and purposes. The quotations are intended as samples only and do not include everything on a given topic. All page references are to **AMERICAN JEWISH COMMITTEE, BUDGET, 1953**.

Influence On Christian Denominations

Because of the traditional influence of Christianity, it is not to be wondered at that the Christian denominations were among the very first targets of the American Jewish Committee.

The exerting of influence seems to have been attempted to some degree in most major denominations. A penetration sufficient for exercising a major degree of control seems, however, to have been achieved only in the National Council of Churches and the denominations in its network.

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions—Christian Life and Work and the Division of Christian Education." (p. 98)

In regard to Jewish preparation of Protestant Sunday school lessons: "The National Council of Churches Dept. of Christian Education will call upon us for many new materials during the coming year." (p. 102) The American Jewish Committee's influence on Audio-Visual materials" used by the NCCC is shown on p. 67.

The only Protestant organization in which AJC control is analyzed in some detail is the Methodist Church. Referring to the AJC book *Make Way For Youth*, its success is noted and "new orders have come from the NCCJ, the Methodist church, and the Australian library." (p. 70)

The AJC is particularly powerful among Methodist women. Under "Resources outside the agency" (pp. 39-40) are listed not only such organizations as "The U.S. Committee for a Genocide Convention," "National Conference of Christians and Jews," "Voice of America," "United Parents Association," the "American Association for the United Nations," "National Citizens Committee for UN Day," but also "Women's Div. of the Methodist Church."

The last named Methodist group, "published handbook for community action, *You Hold The Key To Human Rights*, written and produced by our (AJC) staff." (p. 40)

Pages 148-49, and 179 of **AJC, B**, contain references to the moves of the AJC, working sometimes through the N.C.C.J., to influence Catholic policy. Claim is made for the establishment of contacts, but no mention is made of preparation of materials or other such specific evidences of control as is shown for the churches in the National Council of Churches.

With regard to broadcast programs of a religious nature, the influence of the AJC appears to be supreme:

In general, "We have now reached a mutually satisfactory arrangement whereby all national religious programs will be co-

sponsored by the Synagogue Council of America and ourselves." One of the examples is "The Week In Religion" (pp. 54-55)

Specifically, as an example, "a national network preparing an Easter script, Pontius Pilate, was referred to us by the NCCJ (National Conference of Christians and Jews) for guidance. Similar recognition has come with greater frequency in Catholic matters." (p. 101)

For "Christological interpretations" of the Bible, see p. 65. See especially, pp. 100-102 for influence on Protestant denominations.

Education

The AJC lists certain organizations which cooperate so fully with its program that they are described as "resources" of the AJC. Particularly noted for cooperation is the U.S. Office of Education. "Sponsored 6 newspaper advertisements produced by us for American Education Week. 'Published a cartoon booklet, *They Can't Wait*, on public school needs, which we wrote and illustrated and distributed some 60,000 copies to date," etc. (p. 39)

The United Parents Association also has "used our materials." (p. 39) Much influence is exerted on the National Education Association (NEA) "Which has requested repeated printings of our pamphlet, *Danger! They're After Our Schools*: to a total of 90,000 to date." See also, p. 109.

References to influence on education are scattered through the **AJC, B**, book. On page 156 is a reference to the subsidizing of "research projects in the social sciences" by "fellowships" and "grants in aid." Professors are presumably among the "opinion molders" who receive books (p. 175) and other AJC propaganda. "Farm Study" is discussed on p. 154. The AJC has a magazine called **COMMENTARY**, and "a great many gift subscriptions are sent to government people, libraries and schools." (p. 185)

Veterans, Charitable, Youth, and Other Organizations

The American Jewish Committee gives the membership figures (p. 115) for 11 veterans organizations and shows its methods of influencing the only 2 with significantly large memberships, the American Legion and the Veterans of Foreign Wars. The AJC notes in veterans circles a "tendency to bracket liberals with pro-Communism..." (p. 116) Veterans, according to the AJC, have shown a tendency "to withdraw support from the UN, because of alleged liberal and pro-Communist influence." (p. 116) The AJC thus decides that it should give "even greater emphasis" to educating veterans and veterans' leaders to support "our basic democratic processes," the "our" reflecting, of course, the AJC concept. (pp. 116-117)

Proposed corrective measures are drastic, and 15 "resources outside the agency" (AJC) are listed. Here are some of the things the AJC claims to do (p. 119):

- 1- They "maintain a monthly press service for 480 veterans publications..."
- 2- They "put editors on guard against accepting advertising" which the AJC disapproves of.
- 3- They "confer with editors when stories or drawings, published in their magazines or newspapers, seems likely to create unfavorable impressions..."
- 4- They "suggest resolutions for State and National Conventions."
- 5- They "prepare background material and speeches for use by organization leaders..."

On page 120, the AJC makes this significant statement:

"Veterans groups generally have taken the 'extreme' position in combatting Communism. Hence, their views on civil rights and civil liberties differ widely from those of the American Jewish Committee.... We have stepped up our education in this regard..."

Detailed accounts of successes with veterans organizations include the following:

"We frequently supply speeches or speech material to officials of the Legion and the Veterans of Foreign Wars...Practically all of the addresses delivered by the National Chaplain of the Legion during 1950-51 were supplied by us, for which he expressed appreciation. Many of our speeches were used in national broadcasts by the Commander-in-Chief of the Veterans of Foreign Wars, and those not used were printed and circulated to Depts. and Posts of the VFW in clippings form." (p. 122)

Many other achievements are named including "endorsement by leaders" of the Restitution Laws promulgated in Germany by Gen. Clay, and preventing the 1951 American Legion Convention from endorsing "The McCarran Act in toto." (p. 122) The AJC "supplied much of the material and photographs for the American Legion magazine article, 'Israel and The Soviet Union.'" (p. 123)

The Great Tax-Exempt Foundations and Other "Charitable" Organizations

Both Ford and Sloan foundations are listed as subject to AJC influence:

"We worked with Sloan and Ford Foundations in the development of their broadcasting and telecasting plans; also participated actively and directly in the Foundation's programs allied to our interests." (p. 57)

An item of assistance is recorded (p.56):

"Supplied the Ford Foundation with story material which was used in its well known radio series on CBS, *The People Act*."

See also below under "Radio and Television." for the contact of Mr. Saudek of the Ford Foundation with the AJC.

Other organizations and foundations mentioned as being subject to some degree of AJC control or contact include Camp Fire Girls (pp. 40, 138, etc.); America's Town Meeting of The Air (p.57); World Assembly of Youth (p.137); Girl Scouts (pp.137, 139); Child Study Assn. (p.137); General Federation of Women's Clubs (p. 137); National Mid-Century Committee for Children and Youth (p. 137); UNESCO (p. 137); National Social Welfare Assembly (p. 118); N.S.W.A. Committee on Camping (p. 137); N.S.W.A. Committee on Comics (p. 137); the Science Research Associates (p. 138); National Conference of Christians and Jews (p. 118 etc.); and many others.

Newspapers

In the field of newspapers, the AJC program is elaborate:

"Our material generally goes to a selected list of 1700 daily newspapers throughout the country. Since editors of the smaller papers are most receptive to 'canned' editorials, feature articles, cartoons, and the like, we confine the distribution of such material to those with less than 100,000 circulation. Editors of the 300 large dailies receive occasional factual memoranda which they use as background material for their own editorials." (p. 42)

Much evidence of success is listed. "For example, when public pressure, which we have helped to activate, results in the admission of displaced persons to the U.S.A.. it may be reasonably concluded that our considerable efforts in this direction were successful." (p. 44) Other fields in which success has been achieved or envisaged, with the help of the press, include "the defeat of the anti-school forces" (p. 44) "Federal FEPC," and "Revision of U.S. policy in Germany." One of the AJC goals is the public "Disapprobation of Red Witch-hunts." (p. 44)

Magazines

The AJC effort with magazines is very great.

"One of our most productive resources outside the agency is the Society of Magazine Writers, to which we belong. The Society's 60 members are responsible for about 80% of the important articles appear-

ing in American magazines. To one or another of these writers we furnish ideas that eventuate in published articles... (p. 77)

By "conferences with editors and writers" the AJC achieves its purposes. "On most magazines we know at least 1 or 2 editors to whom we can speak frankly on most subjects. We give them complete outlines of suggested articles..." (p. 77)

Also "we are able to make suggestions to free-lance writers because we stand ready to supply them with the kind of research that is invaluable..." (p. 78) Again "on the preventive side we work regularly with editors, pointing out unwise features of projected articles." (p. 78)

"The most telling evidence of success is the responsiveness and voluntary repeat performance of editors. Among the publications that have developed considerable receptivity are *Reader's Digest*, *Colliers*, *Look*, *This Week*, *Life*, *Time* and *Newsweek*." (p. 79) Listed in the receptive category also are *Woman's Home Companion* and *Everybody's Digest*.

Books

There are scattered references to books here and there in *A.J.C., B.*, of which the most significant is probably this under the heading "Revising of Social Science Text-books."

The A.J.C. program in this field is concerned especially with "the problem of revising the teachings of social science textbooks on immigration and the ethnic factors in American life. Our expert in this field has not only prepared the necessary background material but has cooperated with textbook publishers on this project." (p. 234)

Motion Pictures

The A.J.C. "Film Division" achieves its results not only through its own direct efforts, but lists the following as "resources outside the agency":

Hollywood motion picture companies, Distributors and producers of educational films, Motion picture Producers Association of America. Details (pp. 62-72) are too numerous to record. Here is a sample:

"Only 2 years ago, a producer made a film from the book, *I Can Get It For You Wholesale*. This featured an opportunistic and ruthless Jewish clothing salesman. After several conferences with our Hollywood liaison man, the chief character of the story was changed to a girl dress designer, who achieved success through opportunism. Furthermore the character was so portrayed that under no circumstances could it be assumed that she was Jewish." (p. 64) Unfavorable mention is made also of an "anti-Communist picture," not named, which was objectionable because it "may have reinforced the idea in the minds of some that most Communists are Jews." etc. (p. 64)

Radio And Television

The "Legal and Fact-finding Dept." (p. 6) of the A.J.C., meets not only with "publishers, newspaper people, Church and Labor officials, etc." but "with radio and television officials." Here is a part of the story (p. 53):

"Close relationships have been established with the major radio and television networks:

- 1- The Columbia Broadcasting System,
- 2- The National Broadcasting Co.,
- 3- The Mutual Broadcasting System,
- 4- The American Broadcasting Co.,
- 5- Dumont Television Network.

In putting over its objective the A.J.C. enjoys "close relationships with key individuals in the networks, advertising agencies, program package offices, program producers, directors and writers." (p. 53) examples are:

- 1- "Mr. Davidson Taylor, Vice-President of the National Broadcasting Co. in charge of public affairs television programs."
- 2- "Mr. Edward Stanley, manager of NBC public affairs radio programs."
- 3- "Mr. Robert Saudek, director of the Ford Foundation radio and television department."
- 4- "Dr. George Crothers, Columbia Broadcasting System's public affairs radio department."
- 5- "Mr. George Rosen, radio and television editor of *Variety*." (p. 53)

Some of the "methods and materials" used in influencing Radio and TV are (p. 54) furnishing the networks with "kits of script material," and with "information and story material for all kinds of programs—dramatic, quiz, documentary, forum etc." For religious programs see (1) above.

Labor

Scattered through *A.J.C., B.* are references to contacts with organized labor. The account of the "Labor Division" begins on p. 84. Among the "objectives" of the A.J.C. are these to:

- "4- Induce labor publicly to support specific measures bearing on social issues of interest to the A.J.C." (p. 85)
- "6- Induce labor to support legislation dealing with essential human relations problems, such as immigration, FEPC, UN, Genocide and Housing." (p. 85)

The resources outside the agency (pp. 86-87) include:

- "4- Directors of university workers programs.
 - 7- International labor unions.
 - 8- National Conference of Christians and Jews.
 - 14- Department of Labor.
 - 15- Mutual Security Agency.
 - 17- CIO Community Services Committee.
 - 18- AFL Community Chests Dept."
- Moreover, "all national labor service materials designed to meet labor's needs in the development of educational programs, and in leadership training, are created in cooperation with the organized labor movement..." (p. 88) Also, the A.J.C. has established a press service, regularly offering cartoons, editorials and a serial comic strip to labor editors." (p. 88)

Government

By all odds the biggest of the A.J.C.'s many ventures is their set-up for influencing government. In addition to their direct efforts to influence members of the government, much of their material directed to press, radio and television, veterans organizations, etc., has the ultimate goal of influencing legislation or Executive action. A whole section in *A.J.C., B., 1953*, is headed: **WASHINGTON OFFICE.**

The Wash. office serves (p. 269) "as the established liaison of the National Foreign Affairs Dept. (of the A.J.C.) for day to day contact with governmental authorities, particularly the Dept. of State..." It is recorded that "The Wash. office has served as the permanent liaison in the Capital not only for the American Jewish Committee but indirectly and informally also for all cooperative undertakings of various groupings of Jewish organizations..." The undertakings are designed primarily, it appears, to make U.S. policy hostile to German nationalism and friendly

American Jewish Committee

—o— (Continued from Page 3) —o—

to "Israel" (p. 220, etc.); To abolish all immigration laws disapproved of by the A.J.C. and to discourage investigations of Communism. Among the targets at which A.J.C. propaganda and pressure are aimed are: "Governmental officials, Legislators and political leaders." "Repeated reflections of favorable public opinion must be brought to Senators. Views of influential citizens must be continually advertised."

The A.J.C. is strong in the field of government education:

"The U.S. Office of Education...asked us to supply text and drawings for a cartoon book on public school needs published by the Government Printing Office." On p. 39 two subdivisions of the U.S. government are actually listed as "Resources" of the A.J.C. These are "Voice of America" and the "U.S. Office of Education." The Dept. of State is especially cooperative. "Only recently the State Dept. asked for permission to continue circulation of the German and Japanese versions" of an A.J.C. booklet, *Make Way For Youth*. (p. 70) On p. 138 it is recorded that the A.J.C. is "consulted by State Dept. regarding philosophy and practice of youth councils."

Secret Activities

The strong arm of the A.J.C. is their branch devoted to secret activities and investigations.

"Quite important in the publicity and public relations work which this dept. does is its planning and carrying out publicity-wise a good many projects, supported or undertaken by the A.J.C., but not identified as Committee undertakings. Often, the very nature of the project makes such identification unwise." (p. 251)

The "need of the Investigations Division's services" has "greatly increased" during "the past 2 years." (p. 30) "The Investigative Div. derives its information as to anti-Semitic activities in large part through the medium of confidential investigations and operations, and contacts with confidential sources." (p. 29, 157)

ACTION BY YOU, THE CHRISTIAN IS SORELY NEEDED

As revealed above every part of our existence is under constant threat. Enemies of Christianity will show absolutely no mercy in obtaining their goal. Your life and property and that of your loved ones is not safe while this exists.

All loyal Americans must combat this anti-Christian force with every means at his disposal. While we twiddle our thumbs and dream of personal success, many of our elected representatives, who are good Americans, are threatened constantly by these evil forces who favor anti-American legislation.

As a result of our apathy we now face the most critical time in our history. Apparently we are already under the rule of the United Nation's One World Government. We must in some way eliminate this dangerous situation and regain the sovereignty of the United States of America.

The world is witnessing the greatest historic spectacle of recorded time. Almost in a single lifetime, we see the rise of a nation of really free individuals and then the swift, sudden threat to destroy that free society including the race of man who created it.

"What can I do?" Is the question which generally presents itself when uninformed individuals first learn of the plot against Christian civilization. Learn the truth. Even though the press, radio, television and motion pictures and current magazines are under the influence of these world conspirators, the facts are available to those

with enough intelligent curiosity to want to learn the fate facing a free people. Factual Books such as **THE IRON CURTAIN OVER AMERICA** (\$4.00 order from Common Sense) **THE PROTOCOLS OF THE LEARNED ELDERS OF ZION** (\$1.00 order from Common Sense) **FEDERAL RESERVE CONSPIRACY** (\$1.00 order from Common Sense) **JEWISH ANTI-COMMUNISM** (50¢ order from C.S.) and many others may be obtained as a start in the right direction so as to counter the daily brainwashing of the normal means of communication.

Learn what's good and what's bad for America. Tell the stories to friends at neighborhood gatherings, through your social clubs and church groups.

Write and wire your Senators and Congressmen, the State Department, even the Department of Defense, and let them know your full American views. The enemies of America flood these governmental agencies with propaganda to force legislation favorable to them. Remember the government is still supposed to be the servant of the people. Every loyal American must act. There is no time for a "let George do it" attitude. These conspirators are bringing their centuries old plot to a rapid conclusion. The situation is critical—only an intelligent, informed and militant citizenry can prevent the bloodshed of another 1776 if America is to be saved.

HELP SECURE A MILLION READERS

Why Tax Deductible?

Why is it necessary for Jews to spend at least 20 million (tax deductible taxpayer's money) a year in the U.S. to promote tolerance of them? No other class of people find this necessary.

On April 4th, The Joint Defense Appeal (American Jewish Committee and Anti-Defamation League) launched its 1957 drive for \$5,600,000 at a dinner at the Waldorf Astoria. The purpose as stated "programs combatting bigotry and discrimination," has nothing to do with two campaigns for 100 million dollars each, this yr. by United Jewish Appeal which is used mainly to bolster Israel in their plot to grab still more territory from the Arabs. Why is it all your life you hear Jews screaming persecution (when caught with the goods) from many countries?

For 20 years we have read leading Jewish publications and in every issue they cry "anti-Semitism," or "discrimination." Still they are the most discriminating people on earth;—won't even eat off the same dishes the Christian uses.

Here are just two of hundreds of anti-Christian quotes COMMON SENSE has from Jewish publications:

"One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid geture. But trust the mob to bungle. If I'd had charge of executing Christ, I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a savior out of mincemeat."

...Ben Hecht, Zionist writer of Hollywood, p. 20 "A JEW IN LOVE."

"To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews of the fourth century, Jesus became the symbol of anti-Semitism, of libel, of cruelty, of violent death.".....Joseph Dunner, Zionist Jew, in "The Republic of Israel," p. 10.

It is plain to anyone who takes time for investigating that all of the world is not out of step. It is the Jews who bring discontent, confusion and hate in countries until they are driven out. This will never stop as long as the Rabbis continue to shape the minds of Jewish youngsters in the anti-Christian cult which is camouflaged as Religion.

THINK HOW EASY

If each reader would send in just one new subscription, the COMMON SENSE reader list would be doubled immediately. What a practical effort for our COUNTRY and FREEDOM!

Human nature being what it is, we know not every subscriber will be an active part to this cooperative project. Hence, some patriots who are fired with zeal to drive this world Marxist Conspiracy from our shores could secure a number of new subscribers to offset those who send in none. Some wonderful patriots are doing this now.

A short while ago, a patriot sent in 305 subscriptions within 2 weeks. During the last month an informed business man in a western State sent us 450 subscriptions. A patriot out in Wyoming sends in 5 or 10 regularly; a friend in California sends an average of 10 a month; many send us 2 or 3 subscriptions a month.

COMMON SENSE carries no advertising, hence is free to give the unvarnished facts the people need to help them understand what is going on. For this we are constantly smeared by Jewish organizations as anti-Semitic, anti-Catholic, anti-Negro, and anti-everything else they can think of. The fact is, we are none of these things—but every bit of our investigation and probing, has led us directly into the Jewishness of Communism, we are dedicated to exposing this vicious serpent no matter how the chips fall. Our desire is to give you a paper each week with news while it is "hot."

Ask your friends to give you a dollar for twenty-four issues packed with truthful information, not available elsewhere!
